

43-inch Outdoor TV Cabinet

Nice, Small Bezel, Durable

This cabinet is designed for 32" to 43" TV. The weatherproof TV enclosure is the best solution for your TVs if you've ever dreamed of mounting a TV outside weatherproof.

The outdoor enclosures are triple outdoor powder coated with no exposed metals. The smart design packs the enclosure full of the features needed to keep your TV display safe and secure but keeps the overall dimensions slim and compact. These enclosures are perfect for use in the public space.

Note: DEERTV is a sub-brand of kinytech company, mainly used for home / residential applications. Small bezel, beautiful and light weight. If you use it in industrial and commercial, please make sure contact us for more information.
